Coast Kids News

Every weekend, Coast Kids Ministry share several resources (including some produced by our very own Coast Kids staff) to help you in providing your children with church at home! Look online at <https://www.northcoastchurch.com/children-resources/>. Curriculum options vary based on what your child might need at every stage of their development. See what your kiddos are learning this week!

Preschool: Out of this World. In this week's lesson, our kids are hearing about one of Jesus' amazing miracles from Matthew 8:23-27 where Jesus stops the wind and waves by simply speaking!

Elementary: Rules for Life: Play Well. Finish Strong. This week the kids are looking into what the Bible says about working hard as they study Proverbs 6:6-8. The core theme for this month is: Responsibility is showing you can be trusted with what is expected of you.

4th and 5th Graders: Join Ms. Erica twice a month on a Sunday morning Zoom call where they celebrate each other and enjoy fellowship. For more info, email edory@northcoastchurch.com. Follow @coastkids_sme on Instagram for devotionals and upcoming Children's Ministry news.
